The diagram illustrates the relationship between different components and languages. At the top, 'CLIK' and 'C++' are listed. Below them, 'VM' is shown. In the center, there is a box containing 'Direct Access API' and 'C++'. To the right of this box, 'C++' is listed again. At the bottom, 'Direct Access API' is listed. A blue link labeled 'Game Communication' is positioned at the bottom center. Arrows indicate dependencies or relationships: from 'CLIK' to 'VM', from 'C++' to 'VM', from 'VM' to 'Direct Access API', from 'Direct Access API' to 'C++', and from 'C++' to 'Direct Access API'.
